Nawany Group

SINCE 1981

With 40 years of experience in industrial construction, we at Nawany Group strive towards building better spaces for businesses of all sizes. With a roster that spans over two generations, we stay abreast with evolving needs while leveraging priceless experience. This allows us to build modern constructions that pass the test of time and provide great value for money. Most of our construction projects span over the Vasai-Virar belt. This lends us great insight into the needs of businesses in the area. We've watched this area evolve into a modern hub of commerce and are proud to have pioneered its development.

As a group, we believe in being diversified as well as focused. We specialize in logistics and construction, with a focus on bulk material supply and end-to-end logistics for the cement industry. We believe in leveraging our technical expertise to enrich the lives of many. Our logo is symbolic of this idea. It inspires us to think strategically, constantly innovate, build enduring relationships and execute with excellence. It is our ambition to lay the foundation for your success and prosperity in all endeavors
